FASCINATING ARE PICTURES AT THE EMPIRE

A genuine surprise is in store for patrons of the Empire theater at today's matinee and evening performance in the clever presentation of a drama filled with a host of fascinating adventures under the title of "The Bachelor's Baby," in which the late moving picture stars, L. Rogers Lytton and Miss Kate Price are introduced to local spectators for the first time in months. It deals with a strange story that has a happy sequel.

There is a decided air of mystery in the late mainland release called, "Thou Shalt Not Kill," a drama that will be included in the Empire program. It is a feature picture, the product of one of the best studios.

The comic side of the program has by no means been neglected, as "Matrimonial Maneuvers" is a production which serves as a joyous vehicle for a display of the talents of Maurice Costello and Miss Mary Charleston. These actors are rated with the most frequently photographed performers in the business today.

"The House Divided" is a tragic story that is listed as an early offering. "Judgment of the Deed" is a sea tale that will serve to retain the interest of the spectator to the close of the program.

JUVENILES READY FOR GREAT LIGHT OPERA SUCCESS

The decision of the Juvenile Bostonians to present the famous light opera success, "The Daughter of the Regiment," comes as a pleasant surprise to Honolulu theatergoers.

It will be staged this evening at the Bijou and will remain the offering for the first half of the week.

The great triumph of "The Daughter of the Regiment" as a dashing opera has been so country-wide that it is hardly necessary to refer in detail to its plot, the melodious music running through the entire show, and the abundance of comedy that permeates the entire performance.

"The Daughter of the Regiment" is one of the biggest undertakings of the Juveniles in many ways. And according to press reports that have come from other cities where they have put it on, it is one of their biggest successes.

Mrs. Thom Hellen of course appears as the prima donna and this in itself is enough to convince those who are acquainted with her glorious voice and charming acting that the comic opera will be a signal success.

And then there is Patsie Henry, a wizard of a little comedienne who can make even the orchestra men laugh. "The Daughter of the Regiment" furnishes her an unusual opportunity to shine as a comedienne in a class all her own, and to keep the audience laughing from her first to her last appearance.

And along with Patsie Henry and Thom Hellen come all the other stars of the Bostonians in well assigned roles. This includes Ina Mitchell, Lotie Clark, "Billie" O'Neill, Frances Crane, Halcyon Clarke, Bodie Canfield, "Stubby" Nyling and the others.

Perhaps there is no single comic opera that contains as many tuneful songs as "The Daughter of the Regiment." Such a blend of music and comedy and attractive scenes cannot fail to be a great Juvenile Bostonian success.

Large electric fans are being installed to keep the theater cool during the performance. These fans are to be so arranged that no matter the heat of the evening or the size of the audience the air in the theater will be kept cool and fresh.

SEE IF THE CHILD'S TONGUE IS COATED

Mother! Don't hesitate! If cross, feverish, constipated, give "California Syrup of Figs."

Look at the tongue, mother! If coated, it is a sure sign that your little ones stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of your little bowels, without griping, and you have a well, playful child again.

You needn't coax children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages, and for grown-ups, plainly on the bottle. Beware of counterfeiters sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt—advertisement.

POPULAR GETS PUBLIC FAVOR BY INNOVATION

An innovation introduced by the management of the cosy little Popular theater by adding acts of vaudeville to the regular motion picture program, has caught the favor of the public. This was evidenced by capacity houses on Saturday. Baby Alma's new songs and dances brought hearty applause at each appearance, and Pharos, with his mystifying, entertaining black art and legenddom was pronounced a wonder. The pictures, too, which were shown Saturday were excellent throughout. The leading feature, a three-reel psychological subject entitled "From the Beyond" is a virtual masterpiece, and by special request will be repeated to night.

Beginning with a special matinee Wednesday at 2 o'clock, an entire change of program will be made—new acts and new pictures. The matinee will be arranged to please the children particularly, and on this occasion Pharos will produce hundreds of pounds of sugar-coated popcorn mysteriously, which will be distributed among the kiddies. Each evening two performances will be given beginning at 6:30 and 8:30 o'clock, and judging by exhibitions on Saturday, they merit the attendance of the young and old.

DOUBLE BILL AT YE LIBERTY FOR ONE NIGHT ONLY

Those who were not sufficiently fortunate to see Jack London's "The Sea Wolf" when it was shown at Ye Liberty theater several weeks ago are assured a treat at tomorrow evening's performance at that theater. Mrs. Fiske in "Tess of the D'Urbervilles" will open a big double-headed show at 7 o'clock sharp, to be followed by "The Sea Wolf," making a performance of 11 reels—the longest feature motion picture show ever given in Honolulu. There will be no addition to the prevailing prices.

Owing to the fact that "The Sea Wolf" has been ordered returned to the mainland immediately, Manager Blair will be unable to show the wonderful film again after tomorrow night. However, in compliance with an insistent demand that it be shown again in Honolulu he has arranged this one performance.

The ablest critics of filmdom are agreed in the opinion that "The Sea Wolf" is one of the strongest offerings ever shown in the motion picture world. In this they are ably seconded by a large portion of Honolulu theatergoers who have witnessed the seven reels of film pass over the screen.

Commencing with Wednesday's matinee Mary Pickford will make her local debut in "In the Bishop's Carriage." Miss Pickford's appearance has been anxiously awaited by young and old. Many have seen this sterling little actress in minor plays but are anxious for her debut in a feature film.

SIMPLE REMEDY IS FAVORITE HERE

The simple mixture of buckthorn bark, glycerine, etc., known as Adlerika, the remedy which became famous by curing appendicitis, is a great favorite with Honolulu people. Adlerika acts on BOTH the lower and upper bowels and drains off such surprising amounts of foul matter from the body that A SINGLE DOSE relieves sore stomach, constipation and gas on the stomach almost IMMEDIATELY.
